MEMORANDUM FOR: Acting Director
Policy Guidance Office

FROM :
Deputy General Counsel

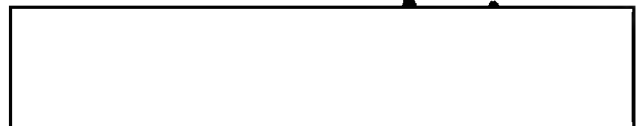

SUBJECT : Input to DCI's Annual Report

REFERENCE : My Memo to You, same subject,
3 November 1978 (OGC 787394)

1. In addition to the activities outlined in referenced memorandum, you should consider commentary on the Foreign Intelligence Surveillance Act of 1978 in the DCI's Annual Report to the President and to the Congress. OGC participated extensively in the development of this legislation within the Executive Branch and in the Congress over the past two years. Moreover, the DCI as well as other senior officials of the Intelligence Community, testified in support of the legislation and, according to the President in his signing statement, the DCI's personal commitment was critical to passage of the legislation.

2. Attached is a draft HN describing the new statute and its impact on Community activities. You may wish to draw on this language, particularly the first two paragraphs, in preparing the Annual Report.
